## Pharmacy Team

Are you **concerned**  
about a **patient who**  
**lives alone?**

Are they **isolated**  
or **vulnerable** or  
**prone to falls?**

Are they  
**recuperating** after  
a **hospital stay?**

Are they finding it  
increasingly **difficult**  
**to venture out?**

## A Herts Careline community alarm could assist them?

- Reliable help around the clock via a pendant button, in case they fall or become unwell
- Hertfordshire based 24/7 Control Room
- Peace of mind for the patient and their families that assurance and medical assistance is always close by
